Slow Fade by Casting Crowns

...

Be careful little eyes what you see
It's the second glance that ties your hands
As darkness pulls the strings
Be careful little feet where you go
For it's the little feet behind you
That are sure to follow
It's a slow fade
When you give yourself away
It's a slow fade
When (1)_____ and white are turned to gray
And thoughts invade, choices are made
A (2)_____ (3)_____ be paid
When you give yourself away
People never crumble in a day
It's a slow fade
It's a slow fade
Be careful little ears what you hear
When flattering leads to compromises
The end is always near
Be careful little (4)_____ what you say
For empty words and promises
Leave broken hearts astray
It's a slow fade
When you give yourself away
It's a slow fade
When black and (5)_____ are turned to gray

And thoughts invade
Choices are made
A price will be paid
When you give yourself away
People never crumble in a day
The journey (6)_____ your mind to your hands
Is shorter (7)_____ you're thinking
Be careful if you think you stand
You just might be sinking
It's a slow fade
When you give yourself away
It's a slow fade
When black and white are turned to gray
And thoughts invade
Choices are made
A price will be paid
When you give yourself away
People never crumble in a day
Daddies never (8)_____ in a day
