The Party Scene (Live) by All Time Low

Hey, kid, you've got

A lot of potential but I think it's time to move up

So go on and blow us away with your sound

Now you're everything that we've (1)_____ to love

You (2)_____ us to move, now we'll (3)_____ it
off

Just drop us the (4)_____ (c'mon)

Here's to the fast times

The times we felt alive

To all the nights that we forgot to get back home

Stay seventeen

The party scene has got the best of me and you

We've got to let this go...

Drink up last call before the sunrise sets the scene

Of empty bottles, heavy hearts

The (5)_____ of (6)_____ dreams...

We were so tired yet so alive

Wrapped up in lies

Like (7)_____ of another one night stand

You know you (8)_____ the girl with nothing

But the sunrise through the window pane

Where tired eyes will close...

Stay seventeen

The party scene has got the best of me and you

We've got to let this go...

I know she hopes I choke on this last drink

Drop dead before my influence gets to her head...

She said

I'll love you forever or find something better

It's all just the same as when we sleep together

We wake up with (9)_____ and

(10)_____ remembering

What went wrong

Stay seventeen

The party scene has got the best of me and

You, we've got to let this go...
