Find Me A Baby by Josh Turner

I was (1)_____ on a creek bank
Bored out of my mind
Casting away a day, a week
A month of my whole life
And then it hit me like a ten pound
Catfish upside my head
Nothing's worth doing
If I'm doing it all by myself
I need to laugh with somebody
And hear them laughing back
I need to share all I've got
And put a couple more trains on (2)_____ old track
This singing solo's getting
So old to me
We gonna find me a baby
And make a couple babies
And sing in harmony
Well sing
(Na (3)_____ na nana na nana nana)
(Na nana na nana na nana nana)
I was (4)_____ on my front porch
When she (5)_____ walking by
And she was (6)_____ for a helping hand
A man to (7)_____ a tire
We hit it off and we talked forever
And I bought that girl a ring
Then quicker than a Richard Petty pit stop
I got down on one knee
And said I need to laugh with somebody

And hear them (8)_____ back
I need to (9)_____ all I've got
And put a couple more trains on (10)_____ old track
This (11)_____ solo's getting so old to me

Let's make a few babies and (12)_____ in harmony,

Well now, me and my baby
Are on baby number three
When we all get (13)_____ up
You oughta (14)_____ us sing
(Na (15)_____ na nana na (16)_____ nana)
(Na nana na nana na nana nana)
