

Fill in the gaps

Really Don't Care (Live) by Demi Lovato

...

You wanna stay, you wanna play
You wanna (1)_____ it all
You started messing with my head
Until I hit a wall
Maybe I should've known
Maybe I should've known
That you would walk
You (2)_____ walk out the door (hey)
Said we (3)_____ done
And met someone and rubbed it in my face
Cut to the part she broke your heart
And (4)_____ she ran away
I guess you shoulda known
I guess you shoulda known
That I would talk, I would talk
But even if the stars and moon collide
I never want you back into my life
You can take your words and all your lies
(Oh, oh, oh)
I really don't care
But even if the stars and moon collide
I never want you back into my life
You can take your words and all your lies
(Oh, oh, oh)
I really don't care
(Oh, oh, oh)
I really (5)_____ care
I can't believe
I ever stayed up writing songs about you
You don't deserve to know
The way I used to (6)_____ about you
(Oh) no, not anymore
(Oh) no, not anymore
You had your shot
Had your shot
But you (let go)

Now if we meet out on the street
I won't be running scared
I'll walk right up to you
And put one finger in the air
And make you understand
And make you understand
You had your chance, had (7)_____ chance
But even if the stars and moon collide
I never want you back (8)_____ my life
You can take your words and all your lies
(Oh, oh, oh)
I really don't care
Even if the stars and moon collide
I never want you back into my life
You can take your words and all your lies
(Oh, oh, oh)
I really don't care
(Oh, oh, oh)
I really don't care
Hey, hey never look back
Dumbstruck boy, ego intact
Look boy, why you so mad
Second guess him, but shoulda hit that..
But even if the (9)_____ and moon collide
I never (10)_____ you back into my life
You can take your words and all your lies
(Oh, oh, oh)
I really don't care
Even if the stars and moon collide
I never want you back into my life
You can take your words and all your lies
(Oh, oh, oh)
I really don't care
(Oh, oh, oh)
I really don't care

Answer

1. have
2. would
3. were
4. then
5. don't
6. think
7. your
8. into
9. stars
