## Do I Wanna Know by Arctic Monkeys

## Fill in the gaps

Have you got colour in your cheeks	Of trying to kiss you
Do you ever get that fear that you can't	But I don't know if you
Shift the tide (1) sticks around like	Feel the (12) as I do
(Summat) in your teeth	But we could be together
Are there some aces up your sleeve	If you wanted to
Have you no idea that you're in deep	(Do I wanna know)
I dreamt about you nearly	If (13) feeling flows both ways
Every night this week	(Sad to see you go)
How (2) secrets can you keep	Was sort of hoping that you'd stay
'Cause there's this tune I've found	(Baby, we both know)
That (3) me think of you somehow	That the nights (14) mainly made
And I play it on repeat	For saying things that you can't say (15)
Until I fall asleep	day
Spilling drinks on my settee	Crawling back to you (crawling back to you)
(Do I wanna know)	Ever (16) of calling when
If this feeling (4) both ways	You've had a few (you've had a few)
(Sad to see you go)	'Cause I always do ('cause I (17) do)
Sort of hoping that you'd stay	Maybe I'm too (maybe I'm too busy)
(Baby, we both know)	Busy (18) yours to fall for somebody new
That the (5) were mainly made	Now I've thought it through
For saying things (6) you can't say tomorrow day	Crawling back to you (do I (19) know)
Crawling back to you	If this feeling (20) (21) ways
Ever thought of calling when	(Sad to see you go)
You've had a few	Was (22) of (23) that you'd stay
'Cause I (7) do	(Baby, we both know)
Maybe I'm too	That the nights were mainly made
Busy being yours to (8) for (9)	For (24) things that you can't say tomorrow
new	day
Now I've thought it through	(Do I wanna know)
Crawling back to you	Too busy being yours to fall
So have you got the guts	(Sad to see you go)
Been wondering if your heart's still open	Ever (25) of calling, darling
And if so I (10) know what (11) it	(Do I wanna know)
shuts	Do you want me crawling back to you
Simmer down and pucker up	
I'm sorry to interrupt	
It's just I'm constantly on the cusp	

## SUB inglés

- 1. that
- 2. many
- 3. makes
- 4. flows
- 5. nights
- 6. that
- 7. always
