## Why Am I The One (Acoustic) by Fun

could go wrong

## Fill in the gaps

I've got enough on my mind	Go on, go on, go on
That when she (1) me by the hand	If you were thinking that the worst is yet to come
She hasn't much to hold onto	Why am I the one?
She's keeping count on her hands	Always packing all my stuff
One, two, three days that I've been	For once, for once
Sleeping on my side	I get the feeling that I'm right where I belong
I've finished kissing my death	Why am I the one?
So now I head back up the steps	Always packing all my stuff
Thinking about where I've been	I think I kinda like it but
I mean it's always never like this	I might have had too much
I wanna feel with the seasons	And I'll (7) back down
I guess it makes sense	To this western town
Cause my life's become as vapid as	When (8) find me out
A night out in Los Angeles	Make no mistake about it
And I just wanna stay in bed	I'll move back down
I hold you like I used to	To this western town
You know that I am home	When they find me out
So darling, if you (2) me	Make no mistake about it
Would you let me know	I'll move back down (go on, go on)
Or go on, go on	If you were thinking that the worst is yet to come
If you were thinking that the worst is yet to come	Why am I the one
Why am I the one?	Always packing all my stuff
Always packing all my stuff	Go on, go on
For once, for once	If you (9) thinking that the worst is yet to come
I get feeling that I'm right where I belong	Why am I the one?
Why am I the one?	Always packing all my stuff
Always (3) all my stuff	For once, for once
She got enough on her mind	I get the feeling that I'm right where I belong
That she feels no sorrow	Why am I the one?
l let my faith fill the air	Always packing all my stuff
So now she's rolling down the window	I think I kinda like it but
Never been one to (4) on	I might have had too much
But I need a last breath	And I'll move back down
So I ask if she remembers when	
She used to come and visit me	
We were fools to (5) (6) noth	ing

- 1. pulls
- 2. love
- 3. packing
- 4. hold
- 5. think
- 6. that
- 7. move
- 8. they
- 9. were
