Bat Country by Avenged Sevenfold

He who makes a beast out of himself
Gets rid of the pain of being a man
Caught here in a fiery blaze, won't lose my will to stay
I (1)_____ to drive all through the night
The heat stroke ridden weather, the barren empty sights
No oasis here to see
The (2)_____ is singing deathless words to me
Can't you help me? As I'm startin' to burn
(All alone)
Too many doses and I'm starting to get an attraction
My confidence is leaving me on my own
(All alone)
No one can save me and you know I don't want the attention
As I adjust to my new sights
The rarely tired lights will take me to new heights
My hand is on the trigger I'm ready to ignite
Tomorrow might not make it but everything's all right
Mental fiction follow me
Show me what it's like to be set free
Can't you help me? As I'm startin' to burn
(All alone)
Too many doses and I'm starting to get an attraction
My confidence is (3)_____ me on my own
(All alone)
No one can save me and you know I don't want the attention
I'm (4)_____ you're not here
I've been sane too long my vision's so unclear
Now take a trip with me

But don't be surprised when things aren't what they seem
Caught here in a fiery blaze, won't lose my will to stay
These eyes won't see the same, (5)_____ I flip today
Sometimes I don't know why we'd rather live than die
We (6)_____ up towards the sky for answers to our lives
We may get some solutions but most (7)_____ pass us
by
Don't want your absolution cause I can't make it right
I'll make a beast out of myself
Gets rid of all the pain of being a man
Can't you help me? As I'm startin' to burn
(All alone)
Too many doses and I'm starting to get an attraction
My confidence is leaving me on my own
(All alone)
No one can save me and you know I don't want the attention
I'm sorry you're not here
I've been sane too long my vision's so unclear
Now take a trip with me
But don't be surprised (8)_____ things aren't what they
seem
I've known it from the start
All these good ideas will (9)_____ your brain apart
