

Fill in the gaps

11th Dimension by Julian Casablancas

I'll just nod, I've never been so (1)_____ at shaking
hands
I live on the (2)_____ surface of a fireball
Where cities come together
To hate each other in the name of sport
America, nothing is ever just anything
I (3)_____ up to you
But you thought I would look the other way
And you hear what you (4)_____ to hear
And they take what they (5)_____ to take
Don't be sad, won't ever happen like (6)_____ anymore
So when's it coming
This (7)_____ new great movement that I can join?
It won't end here
Your faith has got to be greater than your fear
Forgive them, even if they are not sorry
All the vultures, bootleggers at the door waiting
You are looking for your own voice but in others

While it hears you, trapped in another dimension
Drop your guard, you don't have to be smart all of the time
I've got a mind full of blanks
I need to go somewhere new fast
And don't be shy, (oh) no, at least deliberately
Cause no one really cares or (8)_____ why
anymore (oh)
I got music, coming out of my hands and (9)_____ and
kisses (oh)
That is how it once was done
All the dreamers on the run
Forgive them, even if they are not sorry
All the vultures, bootleggers at the door waiting
We're so quick to point out our own flaws in others
Complicated mammals on the wings of robots
If you believe in (10)_____ world then no one has died in
vain
But don't you dare get to the top and not know what to do

Answer

1. good
2. frozen
3. looked
4. want
5. want
6. this
7. last
8. wonders
9. feet
10. this
