(Turn around) Cause we'll never be wrong together
Every now and then I get a little bit helpless We can take it to the end of the line
And I'm lying (3) a child in your arms Your love is like a shadow on me all of the time
(Turn around) (All of the time)
Every now and then I get a little bit angry I don't know (9) to do and I'm always
And I know I've got to get out and cry We're living in a powder keg and giving off spark
(Turn around) I (10) need you tonight
Every now and then I get a little bit terrified Forever's gonna start tonight
But then I see the look in your eyes (Forever's gonna start tonight)
(Turn around bright eyes) Once upon a time I was falling in love
Every now and then I fall apart But now I'm only falling apart
(Turn around bright eyes) There's nothing I can do
Every now and then I fall apart A total eclipse of the heart
And I need you now tonight Once upon a time there was light in my life
And I need you more than ever But now there's only love in the dark
And if you'll only hold me tight Nothing I can say
We'll be holding on forever A total eclipse of the heart
And we'll (4) be making it right A total eclipse of the heart
Cause we'll never be wrong together (Turn around bright eyes)
We can take it to the end of the line (Turn around bright eyes)
Your love is like a shadow on me all of the time (Turn around)
(All of the time)
I don't know what to do and I'm always in the dark
We're living in a (5) keg and giving off sparks
I really need you tonight
