Spaceman by The Killers

It started with a low light
Next (1)_____ I knew (2)_____ ripped me from
my bed
And then they took my blood type
They left a strange impression in my head
You know that I was hoping
That I could leave this star-crossed world behind
But when (3)_____ cut me open
I guess I changed my mind
And you know I might
Have (4)_____ flown too far from the floor this time
'Cause they calling me by my name
And the zipping white light beams
Disregarding bombs and satellites
That was the turning point
That was one lonely night
The (5)_____ maker says it ain't so bad
The (6)_____ maker's gonna make you mad
The (7)_____ says everybody look down
Its all in your mind
Well now I'm back at home and
I'm (8)_____ forward to this life I live
You know it's gonna haunt me
So (9)_____ to this (10)_____ I give
You think you might cross over
You caught (11)_____ the devil and the deep
(12)_____ sea
You better look it over
Before you make that leap
And you know I'm (13)_____ but I (14)_____ those
voices at night
Sometimes... (15)_____ justify my claim
And the public don't dwell on my transmission

'Cause it wasn't televised...
But it was a turning point
Oh what a lonely night
The star maker (16)_____ it ain't so bad
The dream maker's gonna make you mad
The spaceman says everybody look down
It's all in (17)_____ mind
The star maker says it ain't so bad
The (18)_____ maker's gonna make you mad
The spaceman (19)_____ (20)_____
look down
Its all in your mind
My global position systems are (21)_____
addressed
They say the Nile used to run (22)_____ east to west
They say the Nile used to run from east to west
I'm fine
But I hear those voices at night
Sometimes...
The star maker says it ain't so bad
The dream maker's gonna make you mad
The spaceman (23)_____ everybody look down
Its all in (24)_____ mind
The star maker says It ain't so bad
The dream maker's gonna make you mad
The spaceman says everybody look down
It's all in (25)_____ mind
It's all in my mind
It's all in my mind...
