Spaceman by The Killers

It started (1)_____ a low light
Next thing I (2)_____ (3)_____ ripped me from my
bed
And then (4)_____ took my blood type
They left a strange impression in my head
You know (5)_____ I was hoping
That I could (6)_____ this star-crossed world behind
But when they cut me open
I guess I changed my mind
And you (7)_____ I might
Have just flown too far from the floor this time
'Cause they calling me by my name
And the zipping white light beams
Disregarding bombs and satellites
That was the turning point
That was one lonely night
The (8)_____ maker says it ain't so bad
The dream maker's gonna make you mad
The spaceman (9)_____ everybody look down
Its all in your mind
Well now I'm back at home and
I'm looking (10)_____ to (11)_____ life I live
You (12)_____ it's (13)_____ haunt me
So hesitation to this (14)_____ I give
You think you might cross over
You caught between the devil and the deep blue sea
You better look it over
Before you make that leap
And you know I'm fine but I hear those voices at night
Sometimes... they justify my claim
And the public don't dwell on my transmission

'Cause it wasn't televised...
But it was a (15)_____ point
Oh what a (16)_____ night
The star (17)_____ (18)_____ it ain't so bad
The dream maker's (19)_____ make you mad
The spaceman says everybody look down
It's all in your mind
The star (20)_____ (21)_____ it ain't so bad
The dream maker's gonna make you mad
The spaceman says everybody (22)_____ down
Its all in your mind
My global position systems are vocally addressed
They say the Nile used to run (23)_____ east to west
They say the (24)_____ used to run from east to west
I'm fine
But I hear those voices at night
Sometimes...
The star maker says it ain't so bad
The dream maker's gonna make you mad
The spaceman says everybody look down
Its all in (25)_____ mind
The (26)_____ (27)_____ says It ain't so bad
The dream maker's gonna make you mad
The spaceman says everybody look down
It's all in your mind
It's all in my mind
It's all in my mind...
