

Fill in the gaps

Foundations by Kate Nash

Thursday night, everything's fine
Except you've got that look in your eye
When I'm telling a story, and you find it boring
You're thinking of something to say
You'll go along (1)_____ it, then drop it
And humiliate me in front of our friends
Then I'll use (2)_____ (3)_____ that you find
annoying
And say something like,
"Yeah, intelligent input, darling.
Why don't you just have another beer then?"
Then you'll call me a bitch
And (4)_____ we're with will be embarrassed
And I won't give a shit
My fingertips are holding onto
The cracks in our foundation
And I know that I should let go, but I can't
And every time we fight I know it's not right
Every (5)_____ that you're upset and I smile
I know I should forget, but I can't
You said I must eat so many lemons
'Cause I am so bitter
I said, "I'd rather be with your friends, mate,
'Cause they are much fitter."
Yes, it was childish
And you got aggressive
And I must admit that I was a bit scared
But it gives me thrills to wind you up
My fingertips are holding onto
The cracks in our foundation

And I know that I should let go, but I can't
And every time we fight I know it's not right
Every time that you're upset and I smile
I know I should forget, but I can't
Your face is pastey
'Cause you've gone and got so wasted
What a surprise
Don't want to look at your face, 'cause it's making me sick
You've gone and got sick on my trainers
I only got these yesterday
Oh my gosh, I cannot be (6)_____ with this
Well, I'll leave you there 'till the morning
And I purposely won't (7)_____ the heating on
And dear God, I hope I'm not stuck with this one
My fingertips are holding onto
The (8)_____ in our foundation
And I know that I should let go, but I can't
And every time we fight I know it's not right
Every time (9)_____ you're upset and I smile
I know I should forget, but I can't
And every time we fight I (10)_____ it's not right
Every time that you're upset and I smile
I know I should forget, but I can't
And every time we fight I know it's not right
Every time that you're upset and I smile
I know I should forget, but I can't

Answer

1. with
2. that
3. voice
4. everyone
