

## Fill in the gaps

Thursday night, everything's fine	And I know that I (11) let go, but I can't
Except you've got that look in your eye	And every time we fight I know it's not right
When I'm telling a story, and you find it boring	Every time that you're upset and I smile
You're thinking of (1) to say	I know I (12) forget, but I can't
You'll go along with it, (2) drop it	Your (13) is pastey
And (3) me in (4) of our	'Cause you've gone and got so wasted
riends	What a surprise
Then I'll use that voice that you find annoying	Don't want to look at (14) face, 'cause it's
And say something like,	(15) me sick
Yeah, intelligent input, darling.	You've gone and got (16) on my trainers
Why don't you just have another beer then?"	I (17) got (18) yesterday
Then you'll call me a bitch	Oh my gosh, I (19) be bothered with this
And everyone we're with will be embarrassed	Well, I'll leave you there 'till the morning
And I won't give a shit	And I purposely won't (20) the heating on
My fingertips are holding onto	And dear God, I hope I'm not (21) with this one
The cracks in our foundation	My fingertips are holding onto
And I (5) that I should let go, but I can't	The cracks in our foundation
And (6) time we fight I know it's not right	And I know that I (22) let go, but I can't
Every time that you're upset and I smile	And every time we (23) I know it's not right
know I (7) forget, but I can't	Every time that you're upset and I smile
You said I must eat so many lemons	I know I should forget, but I can't
Cause I am so bitter	And (24) time we fight I know it's not right
said, "I'd (8) be with your friends, mate,	Every time that you're upset and I smile
Cause they are (9) fitter."	I know I should forget, but I can't
Yes, it was childish	And every (25) we fight I know it's not right
And you got aggressive	Every time that you're (26) and I smile
And I must admit that I was a bit scared	I know I should forget, but I can't
But it gives me thrills to wind you up	
My fingertips are holding onto
