

## Fill in the gaps

with

I hursday night, everything's fine	And I know (16) I should let go, but I can't
Except you've got that look in (1) eye	And every time we fight I know it's not right
When I'm telling a story, and you find it boring	Every time that you're upset and I smile
You're (2) of something to say	I know I (17) forget, but I can't
You'll go along with it, then drop it	Your face is pastey
And (3) me in front of our friends	'Cause you've gone and got so wasted
Then I'll use that voice (4) you find annoying	What a surprise
And say something like,	Don't (18) to (19) at (20)
"Yeah, (5) input, darling.	face, 'cause it's making me sick
Why don't you (6) have (7) beer	You've gone and got sick on my trainers
then?"	I only got these yesterday
Then you'll call me a bitch	Oh my gosh, I cannot be bothered with this
And everyone we're (8) (9) be	Well, I'll leave you there 'till the morning
embarrassed	And I purposely won't turn the heating on
And I won't give a shit	And dear God, I (21) I'm not stuck
My (10) are holding onto	(22) one
The cracks in our foundation	My fingertips are (23) onto
And I know (11) I (12) let go, but I	The cracks in our foundation
can't	And I know that I should let go, but I can't
And every time we fight I know it's not right	And (24) time we fight I know it's not right
Every time that you're upset and I smile	Every time that you're upset and I smile
I know I should forget, but I can't	I (25) I should forget, but I can't
You said I (13) eat so many lemons	And every time we fight I know it's not right
'Cause I am so bitter	Every time that you're (26) and I smile
I said, "I'd (14) be with your friends, mate,	I know I should forget, but I can't
'Cause they are much fitter."	And every (27) we fight I know it's not right
Yes, it was childish	Every time that you're (28) and I smile
And you got aggressive	I know I should forget, but I can't
And I must admit that I was a bit scared	
But it gives me thrills to wind you up	
My fingertips are holding onto
