

**Fill in the gaps**

**Sleeping In The Fire by Wasp**

Touch, touch in the flame's desires

Feeling the pain's denial,

And your fingers in the fire

Look, look in the candle light

See in the flame of life

And my spell is our lie

[Chorus:]

Taste the love

The Lucifer's magic (1)\_\_\_\_\_ (2)\_\_\_\_\_ you numb

The passion and all the (3)\_\_\_\_\_ are one

You're (4)\_\_\_\_\_ in the fire

Taste the love

The Lucifer's magic that makes you numb

You feel what it (5)\_\_\_\_\_ and you're (6)\_\_\_\_\_ on love

You're sleeping in the fire

I (7)\_\_\_\_\_ at the flame and (8)\_\_\_\_\_ burn

And cry out the name of which I yearn

[Chorus]

Taste the love

The Lucifer's (9)\_\_\_\_\_ that makes you numb

The passion and all the pain are one

You're sleeping in the fire
