

**Fill in the gaps**

**Sleeping In The Fire by Wasp**

Touch, (1)\_\_\_\_\_ in the flame's desires

Feeling the pain's denial,

And (2)\_\_\_\_\_ (3)\_\_\_\_\_ in the fire

Look, (4)\_\_\_\_\_ in the candle light

See in the flame of life

And my spell is our lie

[Chorus:]

Taste the love

The Lucifer's (5)\_\_\_\_\_ that (6)\_\_\_\_\_ you numb

The (7)\_\_\_\_\_ and all the pain are one

You're sleeping in the fire

Taste the love

The Lucifer's (8)\_\_\_\_\_ that makes you numb

You feel what it does and you're drunk on love

You're sleeping in the fire

I gaze at the flame and fire burn

And cry out the name of which I yearn

[Chorus]

Taste the love

The Lucifer's magic that makes you numb

The passion and all the pain are one

You're sleeping in the fire

Answer

1. touch
