### Sleeping In The Fire by Wasp

Touch, touch in the flame's desires

Feeling the pain's denial,

And your fingers in the fire

Look, (1)\_\_\_\_\_ in the candle light

See in the (2)\_\_\_\_\_ of life

And my (3)\_\_\_\_\_ is our lie

[Chorus:]

Taste the love

The Lucifer's magic that makes you numb

The passion and all the pain are one

You're sleeping in the fire

Taste the love

The Lucifer's magic (4)\_\_\_\_\_ makes you numb

You feel what it (5)\_\_\_\_\_ and you're drunk on love

You're (6)\_\_\_\_\_ in the fire

I gaze at the flame and (7)\_\_\_\_\_ burn

And cry out the name of which I yearn

[Chorus]

Taste the love

The Lucifer's (8)\_\_\_\_\_ that makes you numb

The passion and all the pain are one

You're sleeping in the fire
