

## Fill in the gaps

God bless us everyone	No!
We're a (1) people living under	And when I close my (16) tonight
(2) gun	To symphonies of (17) light
And it can't be outfought	God save us everyone
It can't be outdone	Will we (18) (19) the fires of a
It can't outmatched	(20) suns?
It can't be outrun, no!	Oh!
God bless us everyone	Like memories in cold decay
We're a (3) people living (4)	Transmissions echoing away
loaded gun	Far (21) the world of you and I
And it can't be outfought	Where oceans (22) (23) the sky
It can't be outdone	Like memories in cold decay
It can't outmatched	Transmissions (24) away
It can't be outrun	Far from the (25) of you and I
No!	Where oceans bleed into the sky
And when I (5) my eyes tonight	Lift me up
To symphonies of (6) light	Let me go
God (7) us everyone	Lift me up
We're a broken people living (8)	Let me go
(9) gun	Lift me up
Oh!	Let me go
Like memories in cold decay	Lift me up
Transmissions echoing away	Let me go
Far (10) the world of you and I	Lift me up
Where oceans bleed (11) the sky	Let me go
God save us everyone	Lift me up
Will we (12) inside the fires of a thousand suns?	
For the (13) of our hand	God bless us everyone
The sins of our tongue	We're a broken people (26) under loaded gun
The (14) of our father	And it can't be outfought
The sins of our young	It can't be outdone
No!	It can't outmatched
God save us everyone	It can't be outrun
Will we burn inside the fires of a thousand suns?	
For the sins of our hand	
The sins of our tongue	
The sins of our father	
The (15) of our young
