

Fill in the gaps

Neutron Star Collision (Love Is Forever) by Muse

I was searching

You were on a mission

Then our hearts combined like

A (1)_____ star collision

I have (2)_____ (3)_____ to lose

You took your time to choose

Then we (4)_____ each other

With no trace of fear that...

Our love (5)_____ be forever

And if we die, we die together

And lie, I said never

'Cause our love would be forever

The world is broken

Halos (6)_____ to glisten

You try to make a difference

But no one wants to listen

Hail, the preachers, (7)_____ and proud

Their (8)_____ will be cloud

Then they'll dissipate

Like snowflakes in an ocean

Love is forever

And we'll die, we'll die together

And lie, I say never

'Cause our love could be forever

Now I've got nothing left to lose

You take your time to choose

I can (9)_____ you now without a trace of fear

That my love will be forever

And we'll die, we'll die together

Lie, I will never

'Cause our love will be forever

Fill in the gaps

Answer

1. neutron
