Through The Fire And The Flames by DragonForce

On a cold winter morning, in the time before the light
In flames of death's eternal reign we ride towards the fight
And the darkness is falling down
And the times are (1)_____ all right
The sound of evil laughter falls around the world tonight
Fighting high, fighting on for the steel
Through the wastelands evermore
The scattered souls will feel the hell bodies
Wasted on the shores
On the blackest waves in hells domain
We watch them as they go
Through fire, (2)_____ and once again we know
So now we fly ever free
We're free (3)_____ the thunderstorm
On towards the wilderness our quest carries on
Far beyond the sundown, far beyond the moonlight
Deep inside our hearts and all our souls
So far away we wait for the day
For the light source so wasted and gone
We feel the pain of a lifetime lost in a thousand days
Through the fire and the (4)_____ we carry on
As the red day is dawning
And the lightning cracks the sky
They raise their hands to the heavens above
As we send them to their lies

Running back through the mid-morning light
There's a burning in my heart
We're banished from the time in the fallen land
To a light beyond the stars
In the blackest dreams we do believe
Our destiny this time
And endlessly we'll all be free tonight
And on the wings of a dream so far (5)_____ reality
All alone in desperation now the (6)_____ is gone
Lost inside you'll never find Lost within my own mind
Day (7)_____ day this misery must go on
So far away we wait for the day
For the light source so wasted and gone
We feel the pain of a lifetime lost in a thousand days
Through the fire and the flames we carry on
Now here we stand with their blood on our hands
We fought so hard now can we understand
I'll (8)_____ the seal of this curse if I possibly can
For freedom of every man
So far away we wait for the day
For the light source so wasted and gone
