

## Fill in the gaps

### Speed Of Sound by Coldplay

How long before I get in?  
Before it starts, before I begin  
How long before you decide?  
Before I (1)\_\_\_\_\_ what it feels like  
Where to? Where do I go?  
If you've never tried (2)\_\_\_\_\_ you'll never know  
How long do I have to climb  
Up on the side of this mountain of mine?  
Look up, I (3)\_\_\_\_\_ up at night  
Planets are moving at the speed of light  
Climb up, up in the trees  
Every chance that you get  
Is a Chance you seize  
How long am I gonna stand  
With my head stuck under the sand?  
I'll stop before I can stop  
Or (4)\_\_\_\_\_ I see things the (5)\_\_\_\_\_ way  
up  
All that noise and all that sound  
All those places I got found  
And birds go flying at the speed of sound  
To show you how it all began  
Birds (6)\_\_\_\_\_ flying from the underground  
If you could see it then you'd understand  
Ideas that you'll never find  
Or the inventors could never design

The buildings that you put up  
Or Japan and China, all lit up  
The sign that I couldn't read  
Or a light that I couldn't see  
Some things you have to believe  
But others are puzzles, puzzling me  
All that noise and all that sound  
All (7)\_\_\_\_\_ places I got found  
And (8)\_\_\_\_\_ go (9)\_\_\_\_\_ at the speed of  
sound  
To show you how it all began  
Birds came flying from the underground  
If you could see it then you'd understand  
(Oh) when you see it then you'll understand  
All those signs I knew what they meant  
Some things you can't invent  
Some get made and some get sent  
...  
Birds go flying at the speed of sound  
To show you how it all began  
Birds came (10)\_\_\_\_\_ from the underground  
If you could see it then you'd understand  
(Oh) when you see it then you'll understand

Answer

1. know
2. then
3. look
4. before
5. right
6. came
7. those
8. birds
9. flying
10. flying
