It's where my demons hide (When) the curtain's call Is the last of all When the lights (2) out All the sinners crawl So they dug your grave And the masquerade Will come calling out At the mess you made	
Are all made of gold When your dreams all fail And the ones we hail Are the worst of all And the blood's run stale I want to hide the truth I want to shelter you But with the beast inside There's nowhere we can hide No matter what we breed We still are made of greed This is my kingdom come This is my kingdom come When you feel my heat Look into my eyes It's where my demons hide It's where my demons hide It's where my (1) hide It's where my demons hide (When) the curtain's call Is the last of all When the lights (2) out All the sinners crawl So they dug your grave And the masquerade Will come calling out At the mess you made	And the cards all fold
