Where The Streets Have No Name by U2

...
I want to run
I want to hide
I want to tear down the walls
That hold me inside
I want to reach out
And touch the flame, yeah
Where the streets have no name
I want to feel sunlight on my face
I see the dust cloud disappear
Without a trace
I wanna take shelter
From the (1)_____ rain, yeah
Where the streets have no name
...
Where the (2)_____ have no name
Where the streets have no name
We're still building, then burning down love
Burning down love
And (3)_____ I go there
I go there with you
It's all I can do
The (4)_____ a flood
And our love turns to rust
We're beaten and blown by the wind

Trampled in dust
I'll show you a place
High on a desert plain
Where the streets have no name
...
Where the (5)_____ have no name
Where the streets have no name
We're still building, (6)_____ (7)_____ down
love
Burning down love
And when I go there
I go there with you
It's all I can do
Our love turns to rust
We're beaten and blown by the wind
Blown by the wind...
See our love turn to rust
I'll be (8)_____ and (9)_____ by the wind
Blown by the wind
(Oh) and when I go there
I go there with you
It's all I can do
...
