

Lua by Bright Eyes

Fill in the gaps

I (1)_____ that it is freezing
But I think we (2)_____ to walk
I (3)_____ waving at the taxis
They keep turning (4)_____ (5)_____ off
But (6)_____ knows a party
At some actor's west side loft
Supplies are (7)_____ in the evening
By the (8)_____ they'll be gone
When everything is lonely
I can be my own best friend
I get a coffee and the paper
Have my own conversations
With the sidewalk and the pigeons
And my window reflection
The mask I polish in the evening
By the morning looks like ****
And I know you have a (9)_____ heart
I can feel it when we kiss
So (10)_____ men (11)_____
(12)_____ me
Have (13)_____ their backs out (14)_____
to lift
It
But me I'm not a gamble
You can count on me to split
The love I sell you in the evening
By the (15)_____ won't exist
You're looking skinny like a model
With (16)_____ (17)_____ all painted black
You just (18)_____ (19)_____ to the bathroom
Always say you'll be right back

Well it takes one to know one, kid
I think you've got it bad
But what's so easy in the evening
By the morning is such a drag
I've got a flask inside my pocket
We can share it on the train
And if you promise to stay conscious
I will try and do the same
Well, we (20)_____ die from medication
But we'll sure kill all the pain
But what was normal in the evening
By the morning seems insane
And I'm not sure what the trouble was
That started all of this
The reasons all have run away
But the feeling (21)_____ did
It's
Not (22)_____ I (23)_____
recommend
But it is one way to live
'Cause what is simple in the moonlight
By the morning (24)_____ is
It was so (25)_____ in the moonlight
Now is so complicated
It was so simple in the moonlight
So simple in the moonlight
So simple in the moonlight...
