

Lua by Bright Eyes

I know that it is freezing
But I think we have to walk
I keep (1)_____ at the taxis
They (2)_____ (3)_____ (4)_____
(5)_____ off
But Julie knows a party
At some actor's west side loft
Supplies are endless in the evening
By the morning they'll be gone
When everything is lonely
I can be my own best friend
I get a coffee and the paper
Have my own conversations
With the sidewalk and the pigeons
And my (6)_____ reflection
The (7)_____ I polish in the evening
By the morning (8)_____ like ****
And I (9)_____ you have a heavy heart
I can feel it when we kiss
So many men stronger than me
Have (10)_____ (11)_____ backs out trying
to lift
It
But me I'm not a gamble
You can count on me to split
The love I sell you in the evening
By the morning won't exist
You're looking skinny (12)_____ a model
With your (13)_____ all painted black
You just keep (14)_____ to the bathroom
Always say you'll be (15)_____ back

Fill in the gaps

Well it takes one to know one, kid
I think you've got it bad
But what's so easy in the evening
By the (16)_____ is such a drag
I've got a flask inside my pocket
We can share it on the train
And if you promise to stay conscious
I (17)_____ try and do the same
Well, we might die from medication
But (18)_____ sure kill all the pain
But what was normal in the evening
By the (19)_____ seems insane
And I'm not sure what the (20)_____ was
That started all of this
The reasons all (21)_____ run away
But the feeling (22)_____ did
It's
Not something I would recommend
But it is one way to live
'Cause what is simple in the moonlight
By the (23)_____ never is
It was so (24)_____ in the moonlight
Now is so complicated
It was so simple in the moonlight
So (25)_____ in the moonlight
So (26)_____ in the moonlight...
