Your love (3)\_\_\_\_\_ D.O.A. Seems you're the only one who knows  
It's like you're always stuck in second gear What it's like to be me  
And it hasn't been your day Someone to face the day with  
Your week, your month Make it trough all the rest with  
Or even your year, but... Someone I'll allways laugh with  
I'll be there for you Even at my worts I'm best with you...  
When the rain starts to pour Yeah  
I'll be there for you It's like you're allways stuck in second gear  
Like I've been there before And it hasn't been your day  
I'll be there for you Your week, your month  
'Cause you're there for me too... Or even your year  
You're still in bed at ten I'll be there for you  
And work began at eight When the rain starts to pour  
You've burned your breakfast so far I'll be there for you  
Things are going great Like I've been there before  
Your mother warned you I'll be there for you  
There'd be days like these 'Cause you're there for me too...  
Oh, but she didn't tell you I'll be there for you  
When the world has brought I'll be (8)\_\_\_\_\_ for you  
You down to your knees that I'll be there for you  
I'll be (4)\_\_\_\_\_ for you 'Cause you're there for me too...
