

## Stop And Stare by OneRepublic

This town is colder now, I think it's sick of us It's time to make our move, I'm shakin' off the rust I've got my heart set on anywhere but here

I'm staring (1) $\qquad$ myself, counting up the years
Steady hands, just take the wheel...
Every glance is killing me
Time to (2) $\qquad$ one last appeal... for the life I lead Stop and stare

I think I'm (3 $\qquad$ but I go nowhere

Yeah I know that (4) $\qquad$ gets scared

But l've become (5) $\qquad$ I can't be, oh...

Stop and stare
You start to wonder why you're 'here' not there
And you'd give anything to get what's fair
But fair ain't what you really need
Oh, can you see what I see?
They're tryin' to come back, all my senses push
Untie the weight bags, I (6) $\qquad$ thought I could...
Steady feet, don't fail me now
I'm gonna run till you can't walk

Fill in the gaps

Something pulls my focus out
And I'm standing down...
Stop and stare
I think I'm moving but I go nowhere
Yeah I know that everyone gets scared
But I've become what I can't be, oh
Stop and stare
You (7) $\qquad$ to wonder why you're (8) $\qquad$ not there

And you'd give anything to get what's fair
But fair ain't what you really need
Oh, you don't need
(What you need, (9) $\qquad$ you need...)

Stop and stare
I (10) $\qquad$ I'm moving but I go nowhere

Yeah I know that everyone gets scared
I've become what I can't be
Oh, do you see what I see...
