I (1) another story	Sick of all the insincere					
Something to get off my chest	So I'm gonna give all m					
My life gets (2) boring	This time, don't need ar					
Need (3) that I can confess	Don't care if critics never					
Til all my sleeves are stained red	I'm (8) giv					
From all the truth that I've said	Oh, got no reason, got i					
Come by it honestly I swear	Got no family I can blan					
Thought you saw wink, no	Just don't let me disa					
I've been on the brink, so	I'm a tell you everything					
Tell me what you want to hear	So tell me what you wa					
Something that were like those years	Something that were lik					
Sick of all the insincere	Sick of all the insincere					
So I'm gonna give all my secrets away	So I'm gonna give all m					
This time, don't need another (4) line	This time, don't need ar					
Don't care if critics never jump in line	Don't care if critics (9)_					
I'm gonna give all my secrets away	I'm gonna give all my se					
My God, amazing how we got this far	So tell me what you wa					
It's like we're chasing all those stars	Something that were like					
Who's driving shiny big black cars	Sick of all the insincere					
And everyday I see the news	So I'm (10)					
All the problems (5) we could solve	This time, don't need ar					
And when a (6) rises	Don't care if critics never					
Just write it into an album	I'm gonna give all my se					
Singing straight, too cold	All my secrets away					
I don't really like my flow, no, so	All my secrets away					
Tell me (7) you want to hear						
Something that were like those years
