

Fill in the gaps

93 Million Miles by Jason Mraz

93 million miles from the sun
People get ready, get ready
'Cause (1)_____ it comes, it's a light
A beautiful light
Over the horizon, into our eyes
Oh, my, my, how beautiful
Oh, my beautiful mother
She told me, son, in life you're gonna go far
If you do it right, you'll love where you are
Just know, wherever you go
You can always come home...
240 (2)_____ miles from the moon
We've come a long way to (3)_____ here
To share this (4)_____ of the night
A glorious night
Over the horizon is (5)_____ bright sky
Oh, my, my, how beautiful
Oh, my irrefutable father
He told me, son, sometimes it may seem dark
But the absence of the light is a necessary part
Just know, you're never alone
You can (6)_____ come back home...
Home

Home
You can (7)_____ come back
Every (8)_____ is a slippery slope
But there is always a hand (9)_____ you can hold on to
Looking deeper through the telescope
You can see that your home's inside of you
Just know
That wherever you go
No, you're never alone
You will always get back home....
...
Home
Home
...
93 million miles (10)_____ the sun
People get ready, get ready
'Cause here it comes
It's a light, a beautiful light
Over the horizon
Into our eyes

Fill in the gaps

Answer

1. here
2. thousand
