

## Fill in the gaps

### Mirrors by Justin Timberlake

Aren't you something

To admire

'Cause your (1)\_\_\_\_\_ is something like a mirror

And I can't help but notice

You reflect in this heart of mine

If you ever feel (2)\_\_\_\_\_ and

The (3)\_\_\_\_\_ makes me hard to find

Just know that I'm always

Parallel on the other side

'Cause with (4)\_\_\_\_\_ hand in my hand

And a pocket full of soul

I can tell you there's no place we couldn't go

Just put your hand on the past

I'm here (5)\_\_\_\_\_ to pull you through

You just gotta be strong

'Cause I don't wanna lose you now

I'm (6)\_\_\_\_\_ (7)\_\_\_\_\_ at the other half of me

The vacancy that sat in my heart

Is a space that now you hold

Show me how to fight for now

And I'll tell you, baby, it was easy

Coming back into you once I figured it out

You were right here all along

It's like you're my mirror

My mirror staring back at me

I couldn't get any bigger

With anyone else beside me

And now it's clear as this promise

That we're making

## Fill in the gaps

Two reflections

Into one

'Cause it's like you're my mirror

My mirror staring back at me, staring back at me

Aren't you something

An original

'Cause it doesn't seem really as simple

And I can't help but stare, 'cause

I see truth somewhere in your eyes

I can't ever

Change without you

You reflect me, I love that about you

And if I could, I

Would look at us all the time

'Cause with your hand in my hand

And a pocket full of soul

I can (8)\_\_\_\_\_ you there's no place we couldn't go

Just put your hand on the past

I'm (9)\_\_\_\_\_ trying to pull you through

You just gotta be strong

'Cause I don't wanna lose you now

I'm looking right at the other half of me

The vacancy that sat in my heart

Is a space that now you hold

Show me how to fight for now

And I'll tell you, baby, it was easy

Coming back into you once I figured it out

You were (10)\_\_\_\_\_ here all along

It's like you're my mirror

My mirror staring back at me

## Fill in the gaps

I couldn't get any bigger

With anyone else (11)\_\_\_\_\_ me

And now it's clear as this promise

That we're making

Two reflections

Into one

'Cause it's like you're my mirror

My mirror staring back at me, staring back at me

Yesterday is history

Tomorrow's a mystery

I can see you looking back at me

Keep your eyes on me

Baby, (12)\_\_\_\_\_ your (13)\_\_\_\_\_ on me

'Cause I don't (14)\_\_\_\_\_ lose you now

I'm looking right at the other half of me

The vacancy that sat in my heart

Is a space that now you hold

Show me how to fight for now (you show me baby)

I'll tell you, baby, it was easy

Coming back into you once I figured it out

You were right here all along

It's like you're my mirror

My mirror staring back at me

I couldn't get any bigger

With anyone else beside me

And now it's clear as this promise

That we're making

Two reflections

Into one

'Cause it's like you're my mirror
