### Love The Way You Lie (with Eminem) by Rihanna

Just gonna stand there and watch me burn
Well that's alright (1) I like the way it hurts
Just gonna stand there and hear me cry
Well that's alright because I love the way you lie
I love the way you lie
[Eminem]
I can't tell you what it really is
I can only tell you what it feels like
And right now there's a steel (2) in my windpipe
I can't breathe but I still fight while I can fight
As long as the wrong feels right it's like I'm in flight
High off of love, drunk (3) my hate
Its like I'm huffing paint
And I love it the more that I suffer, I suffocate
And right before I'm about to (4) she
resuscitates me
She fucking hates me and I love it, wait
Where you going, I'm leaving you
No you ain't, come back
We're (5) back
Here we go again, it's so insane
Cause when it's going good (7) going great
I'm (8) with the wind at his back, she's
Lois Lane
But when it's bad it's awful I feel so ashamed, I snapped
Who's that dude I don't even know his name
Lloid bands on her I'll never steen as law again
I laid hands on her, I'll never stoop so low again

So lost in the moments when you're in them
It's the craze that the corporate controls you both
So they say it's best to go your seperate ways
Guess they (13) know you
Cause today, that was yesterday
Yesterday is over, it's a different day
Silent broken records playing over
But you promised her next time you'll show restrain
You (14) get another chance
Life is no nintendo game, but you lied again
Now you get to watch her (15) out the window
I guess that's why they call it window pane
[Rihanna]
Just (16) stand there and watch me burn
Well (17) alright because I like the way it
hurts
Just gonna stand there and hear me cry
Well that's alright because I love the way you lie
I love the way you lie, I (18) the way you lie
[Eminem]
Now I know we said things
Did things that we didn't mean
And we (19) into the same
patterns, same routine
But your temper is just as bad is mine is
You're the same as me
When it (21) to love you're just as blinded
Baby, please come (22) it wasn't you maybe it was
me
Maybe our relationship isn't as crazy as it seems
Maybe that's what (23) when a tornado
meets a valcano
All I know is I love you too much to walk away though
Come inside, pick up your bags off the sidewalk
Don't you hear sincerity in my voice when I talk?
Told you this is my fault, (24) in the eyeball
Next time I'm pissed (25) aim my fist at the
drywall
Next time, (26) won't be no next time
I (27) even though I know it's lies
I'm tired of the games I just want her back
I know I'm a liar if she ever tries to fucking leave again
I'mma tie her to the bed and set this house on fire
[Rihanna]
Just gonna stand there and watch me burn
Well that's alright because I like the way it hurts
Just (28) stand there and hear me cry

Well that's alright because I love the way you lie I love the way you lie, I love the way you lie
