

## Wild Child by Enya

Ever close your eyes  
Ever stop and listen  
Ever feel alive  
And you've nothing missing  
You don't need a reason  
Let the day go on and on  
Let the rain fall down  
Everywhere around you  
Give (1)\_\_\_\_\_ it now  
Let the day surround you  
You don't need a reason  
Let the rain go on and on  
What a day, what a day to take to  
What a way, what a way to make it through  
What a day, what a day to take to a wild child  
Only take the time  
From the helter skelter  
Every day you find  
Everything's in kilter  
You don't need a reason  
Let the day go on and on
