

Fill in the gaps

Being Boring by Pet Shop Boys

I came across a cache of old photos
And (1)_____ to teenage parties
"Dress in white" one said with quotations
From someone's wife, a famous writer
In the nineteen-twenties
When you're young you find inspiration
In anyone who's ever gone
And opened up a closing door
She said: "We were never feeling bored"
'Cause we were never being boring
We had too much time to find for ourselves
And we were (2)_____ being boring
We dressed up and fought, then thought: "Make amends"
And we were never (3)_____ back
Or worried that
Time would come to an end
When I went I (4)_____ (5)_____ the station
With a (6)_____ and some trepidation
Someone said: "If you're not careful
You'll have nothing left and nothing to (7)_____ for
In the nineteen-seventies"
But I sat back and looking forward
My shoes were high and I had spots
I'd bolted through a (8)_____ door
I would (9)_____ find myself feeling bored
'Cause we were never (10)_____ boring
We had too much time to find for ourselves
And we (11)_____ never being boring
We dressed up and fought, then thought: "Make amends"

And we were (12)_____ holding back
Or (13)_____ that
Time would come to an end
We were always hoping that
Looking back you could always (14)_____ on a friend
Now I sit (15)_____ (16)_____ faces
In rented rooms and foreign places
All the people I was kissing
Some are here and some are missing
In the nineteen-nineties
I never dreamt (17)_____ I would get to be
The creature that I (18)_____ meant to be
But I thought in spite of dreams
You'd be (19)_____ somewhere here
(20)_____ me
'Cause we were never being boring
We had too much time to find for ourselves
And we were never being boring
We dressed up and fought, then thought: "Make amends"
And we were never holding back
Or worried that
Time would (21)_____ to an end
We were always hoping that
Looking back you could (22)_____ (23)_____ on a friend
And we (24)_____ never (25)_____ boring
We were (26)_____ being bored
'cause we were never being boring
We were never being bored
