

## Fill in the gaps

### Explosions by Ellie Goulding

You trembled like you'd seen a ghost  
And I gave in  
I lack the things you need the most, you said  
Where (1)\_\_\_\_\_ you been  
You wasted all that sweetness to run and hide  
I wonder why  
I remind you of the days you poured your heart into  
But you never tried  
I've fallen from grace, (2)\_\_\_\_\_ a blow to my face  
I've (3)\_\_\_\_\_ and I've lost, I've loved and I've lost  
Explosions  
On the day you wake up needing somebody  
And you've learned  
It's okay to be afraid  
But it will never be the same  
It will never be the same  
You left my soul bleeding in the dark  
So you could be king  
The rules you set are still untold to me and I've  
Lost my faith in everything  
The nights you could cope  
Your intentions were gold  
But the (4)\_\_\_\_\_ will shake  
I (5)\_\_\_\_\_ to know I can still make explosions

On the day you wake up (6)\_\_\_\_\_ somebody  
And you've learned  
It's okay to be afraid  
But it will never be the same  
And as the floods (7)\_\_\_\_\_ in  
And your (8)\_\_\_\_\_ (9)\_\_\_\_\_ to sink  
I was the last thing on your mind  
I know you better than you think  
'Cause it's simple, darling  
I gave you a warning  
Now everything you own  
Is falling from the sky in pieces  
So watch them fall with you in slow motion  
I pray that you'll find peace of mind  
And I'll (10)\_\_\_\_\_ you another time  
I'll love you, another time  
Explosions  
On the day you wake up needing somebody  
And you've learned  
It's okay to be afraid  
But it will never be the same

Answer

1. have
2. took
3. loved
4. mountains
5. need
6. needing
7. move
8. body
9. starts
10. find
