

## Fill in the gaps

### I Need A Doctor by Dr. Dre & Eminem & Skylar Grey

I'm about to lose my mind

You've been gone for so long

I'm running out of time

I need a doctor

Call me a doctor

I need a doctor, doctor

To bring me (1)\_\_\_\_\_ to life

I told the world

One day I would pay it back

Say it on tape and lay it, record it

So that one day I can play it back

But I don't even know

If I believe it when I'm saying that

Doubt startin' to creep in

Everyday it's just so grey and black

Hope, I just need a ray of that

'Cause no one sees my vision

When I play it for 'em

They just say it's whack

But (2)\_\_\_\_\_ don't (3)\_\_\_\_\_ what (4)\_\_\_\_\_ is

And I don't know if I was awake or asleep

When I wrote this

All I know is

You came to me when I was at my lowest

You (5)\_\_\_\_\_ me up

Breathed new life in me

I owe my life to you

But for the life of me

I don't see why you don't see like I do

## Fill in the gaps

But it just (6)\_\_\_\_\_ on me; you lost a son

Demon's fightin' you, it's dark

Let me turn on the lights

And brighten me and enlighten you

I don't think you realize

What you mean to me

Not the slightest clue

'Cause me and you, (7)\_\_\_\_\_ like a crew

I was like your sidekick

You gon' either wanna fight

When I get off this \*\*\*\*\* mic

Or you gon' hug me, but I'm out of options

There's (8)\_\_\_\_\_ (9)\_\_\_\_\_ I can do 'cause

I'm about to lose my mind

You've been gone for so long

I'm running out of time

I (10)\_\_\_\_\_ a doctor

Call me a doctor

I need a doctor, doctor

To bring me back to life

It hurts when I see you struggle

You (11)\_\_\_\_\_ to me with ideas

You say they're just pieces

So I'm puzzled

'Cause the \*\*\*\* I hear is crazy

But you're (12)\_\_\_\_\_ getting lazy

Or you don't believe in you no more

Seems (13)\_\_\_\_\_ your own opinions

Not one you can form

Can't make a decision

## Fill in the gaps

You keep questioning yourself

Second guessing

And it's almost (14)\_\_\_\_\_ your begging for my help

Like, I'm your leader

You're supposed to \*\*\*\*\* be my mentor

I can endure

No more, I demand you remember who you are!

It was you, who believed in me

When everyone was telling you

Don't sign me

Everyone at the \*\*\*\*\* label

Lets tell the truth

You risked your career for me

I know it as well as you

Nobody wanted to \*\*\*\* with the white boy, Dre

I'm crying in this booth

You saved my life

Now maybe it's my time to save yours

But I can never (15)\_\_\_\_\_ you

What you did for me is way more

But I ain't giving up faith

And you ain't giving up on me

Get up Dre! I'm dying, I need you

Come back for \*\*\*\*'s sake cause

I'm about to lose my mind

You've been (16)\_\_\_\_\_ for so long

I'm running out of time

I need a doctor

Call me a doctor

I need a doctor, doctor

## Fill in the gaps

To bring me back to life

Bring me back to life

Bring me back to life

(I (17)\_\_\_\_\_ a doctor, doctor to bring me back to life)

It literally feels like a lifetime ago

But I still remember the \*\*\*\*

Like it was just yesterday though

You walked in, yellow jump suit

Whole room, cracked jokes

Once you got inside the booth

Told you, like smoke

Went through friends

Some of them I put on

But they just left

They said they was riding to the death

But where the \*\*\*\* are they now

Now (18)\_\_\_\_\_ I (19)\_\_\_\_\_ them

I don't see none of them

All I see is Slim

\*\*\*\* all you fairweather friends, all I need is him

\*\*\*\*\* backstabbers

When the chips were down

You just laughed at us

Now you bout to feel the \*\*\*\*\* wrath of aftermath

Faggots

You gon' see us in our lab jackets

And ask where the \*\*\*\* we been?

You can kiss my indecisive \*\*\* crack

Maggots and the crackers \*\*\*

Little cracker jack (20)\_\_\_\_\_ (21)\_\_\_\_\_ wack math

**Fill in the gaps**

Backwards producers, I'm (22)\_\_\_\_\_ bastards

One more CD and then I'm packing up my bags

And as I leave

And I guarantee they'll scream

Dre don't (23)\_\_\_\_\_ us like that man 'cause

I'm about to lose my mind

You've been (24)\_\_\_\_\_ for so long

I'm running out of time

I need a doctor

Call me a doctor

I need a doctor, doctor

To bring me back to life
