

## Fill in the gaps

| How 'bout getting off of these antibiotics         | The moment I let go of it                  |
|--|--|
| How 'bout stopping eating when I'm full up         | Was the moment I got more (4) I (5)        |
| How 'bout them transparent (1) carrots             | handle                                     |
| How 'bout that (2) (3) kudo                        | The moment I jumped off of it              |
| Thank you India                                    | Was the moment I touched down              |
| Thank you terror                                   | How 'bout no (6)(7)                        |
| Thank you disillusionment                          | masochistic                                |
| Thank you frailty                                  | How 'bout remembering your divinity        |
| Thank you consequence                              | How 'bout unabashedly bawling (8) (9)      |
| Thank you thank you silence                        | out  |
| How 'bout me not blaming you for everything        | How 'bout not equating death with stopping |
| How 'bout me enjoying the moment for once          | Thank you India                            |
| How 'bout how good it feels to finally forgive you | Thank you providence                       |
| How 'bout grieving it all one at a time            | Thank you disillusionment                  |
| Thank you India                                    | Thank you nothingness                      |
| Thank you terror                                   | Thank you clarity                          |
| Thank you disillusionment                          | Thank you thank you silence                |
| Thank you frailty                                  | Yeah, yeah                                 |
| Thank you consequence                              | (Ah oh)                                    |
| Thank you thank you silence                        |  |
