

Land Of Confusion by Disturbed

Fill in the gaps

I must have dreamed a thousand dreams
Been hunted by a million screams
I can hear the marching feet
They're moving into the street
Now did you read the news today?
They say the danger's gone away
But I can see the fire's still alight
Burning into the night
There's too many men, too many people
Making too many problems
And not much love to go around
Can't you see, this is a land of confusion?
This is the world we live in
And these are the (1)_____ we're given
Use them and let's start trying
To make it a place worth living in
Superman, where are you now
When everything's gone wrong somehow?
The man of steel, men of power
Are losing control by the hour
This is the time, this is the place
So we look for the future
But there's not much love to go around
Tell me why this is a land of confusion
This is the world we live in
And these are the hands we're given

Use them and let's start trying
To make it a place worth living in
I remember (2)_____ ago
When the sun was shining
And all the stars were bright all (3)_____ the night
In the wake of (4)_____ madness
As I held you tight, so long ago
I won't be coming home tonight
My generation (5)_____ put it right
We're not just (6)_____ promises
That we know we'll never keep
There's too many men
Too many people
Making too many problems
And not much love to go around
Can't you see, this is a land of confusion
This is the world we live in
And these are the hands we're given
Use them and let's start trying
To make it a place worth (7)_____ for
This is a world we live in
And these are the (8)_____ we're given
Stand up and let's start showing
