

## Fill in the gaps

### I've Had The Time Of My Life by Bill Medley & Jennifer Warnes

Now I've had the time of my life  
No, I've never (1)\_\_\_\_\_ like this before  
Yes, I swear, it's the truth  
And I owe it all to you  
'Cause I've had the time of my life  
And I owe it all to you  
I've been (2)\_\_\_\_\_ for so long  
Now I've finally found someone  
To stand by me  
We saw the (3)\_\_\_\_\_ on the wall  
As we felt this magical fantasy  
Now (4)\_\_\_\_\_ passion in our eyes  
There's no way we (5)\_\_\_\_\_ disguise it secretly  
So we take each other's hand  
'Cause we seem to understand the urgency  
Just remember  
You're the one thing  
I can't get enough of  
So I'll tell you something  
This could be love, because  
I've had the time of my life  
No, I've never (6)\_\_\_\_\_ this way before  
Yes, I swear  
It's the truth  
And I owe it all to you  
Hey, Baby  
With my body and soul  
I want you more (7)\_\_\_\_\_ you'll ever know  
So we'll just let it go  
Don't be afraid to lose control, no  
Yes, I know it's on your mind

When you say stay with me tonight  
Just remember  
You're the one thing  
I can't get enough of  
So I'll tell you something  
This could be love  
Because  
I've had the time of my life  
No, I've never felt this way before  
Yes, I swear (yes, I swear)  
It's the truth  
And I owe it all to you  
'Cause I've  
Had the time of my life  
And I searched through every open door  
Till I found the truth  
And I owe it all to you  
Now I've had the (8)\_\_\_\_\_ of my life  
No, I've never felt this way before (never felt this way)  
Yes, I swear, it's the truth  
And I owe it all to you  
Now I've had the time of my life  
No, I've never felt (9)\_\_\_\_\_ way before (never felt this way)  
Yes, I swear, it's the truth (it's the truth)  
And I owe it all to you  
'Cause I've had the time of my life  
And I searched through every open door  
Till I found the truth  
And I owe it all to you

Answer

1. felt
2. waiting
3. writing
4. with
5. could
6. felt
7. than
8. time
9. this
