

## Fill in the gaps

| Some say love it is a river            |
|--|
| That drowns the tender reed            |
| Some say love it is a razor            |
| That leaves (1) soul to bleed          |
| Some say love it is a hunger           |
| An endless, (2) need                   |
| I say love it is a flower              |
| And you it's only seed                 |
| It's the heart afraid of breaking      |
| That never learns to dance             |
| It's the dream (3) of waking           |
| That never takes the chance            |
| It's the one who won't be taken        |
| Who cannot seem to give                |
| And the soul afraid of dying           |
| That (4) learns to live                |
| When the night has been too lonely     |
| And the road has been too long         |
| And you think that (5) is only         |
| For the lucky and the strong           |
| Just remember in the winter            |
| Far (6) the bitter snow                |
| Lies the seed that with the sun's love |
