Love Will Tell Us Where to Go (Acoustic) by Bridgit Mendler

I know exactly how you feel
It doesn't matter what you say
I see the sun begin to set
And we gotta, gotta get away
I gotta patch of open road
I already (1)_____ you with all of my soul
So before we both get old
I (2)_____ we gotta, (3)_____ get away
I (4)_____ wishing for all the tickets
Stack 'em on my wall
Let's rip them down
And leave the (5)_____ (6)_____ the cops can
call
And (7)_____ us back
Cover our tracks in the dust
I think we must
Take on the world
Let's go crazy
Love will tell us where to go
I'll be your girl, be my baby
Love will tell us where to go
(Oh oh oh) (8)_____ a dark night
(Oh oh oh) without a sunrise
(Oh oh oh) and we (9)_____ be alright
Love will tell us where to go
Love will tell us where to go
Love (10)_____ tell us where to go
The (11)_____ on this train keep turning
We're flying with the birds and
The (12)_____ so bright it hurts when
We're on the getaway
I'm the Bonnie to your Clyde
You're the mood and I'm the tide, I
I want (13)_____ for all of my life
Since the (14)_____ that we got away
I keep wishing for all the tickets
Stack 'em on my wall
Let's rip them down
And (15)_____ the town before the cops can call

And (16)_____ us back
Cover our tracks in the dust
I (17)_____ we must
Take on the world
Let's go crazy
Love will tell us (18)_____ to go
I'll be your girl, be my baby
Love will (19)_____ us where to go
(Oh oh oh) through a dark night
(Oh oh oh) without a sunrise
(Oh oh oh) and we will be alright
Love will tell us where to go
Love (20)_____ tell us where to go
Love will tell us where to go
When things get rough
When we have loved
We've got (21)_____ to tell us where to go
When we get lost
When love is all (oh) that we got
To tell us where to go
Then we're alright
We'll be alright
Tell us where to go
Then we're alright
We'll be alright
Love will (22)_____ us where to go
Take on the world, let's go crazy
Love will tell us where to go
I'll be your girl, be my baby
Love will (23)_____ us where to go
(Oh oh oh) through a dark night
(Oh oh oh) (24)_____ a sunrise
(And we will be alright)
Love will tell us where to go
...

Answer
