

## Shooting Star by Owl City

### Fill in the gaps

Close (1)\_\_\_\_\_ tired eyes  
Relaxing them  
Count from 1 to 10 and open them  
All these heavy thoughts will try to weigh you down  
But not this time  
Way up in the air  
You're finally free  
And you can stay up there  
Right next to me  
All this gravity will try to pull you down  
But not this time  
When the sun goes down  
And the lights burn out  
Then it's time for you to shine  
Brighter than a shooting star  
So shine no matter where you are  
Fill the darkest night  
With a brilliant light  
'Cause it's time for you to shine  
Brighter than a shooting star  
So shine no matter where you are  
Tonight  
(Wooh, wooh, wooh)  
Brighter than a shooting star  
Shine no matter (2)\_\_\_\_\_ you are  
Tonight  
Gazing through my eyes  
When the fire starts  
And fan the flame so hot  
It (3)\_\_\_\_\_ our hearts  
All the pouring rain  
Will try to put it out  
But not this time  
Let your colours burn  
And brightly burst  
Into a million sparks  
But all dispersed and illuminate a world  
That'll try to bring you down

But not (4)\_\_\_\_\_ time  
When the sun goes down  
And the lights burn out  
Then it's time for you to shine  
Brighter than a shooting star  
So shine no matter where you are  
Fill the darkest night  
With a brilliant light  
'Cause it's time for you to shine  
Brighter than a shooting star  
So shine no matter (5)\_\_\_\_\_ you are  
Tonight  
(Wooh, wooh, wooh)  
Brighter than a (6)\_\_\_\_\_ star  
Shine no (7)\_\_\_\_\_ where you are  
Tonight  
A thousand heartbeats beating time  
And makes this dark planet come alive  
So (8)\_\_\_\_\_ the lights flicker out tonight  
You gotta shine...  
When the sun (9)\_\_\_\_\_ down  
And the lights burn out  
Then it's time for you to shine  
Brighter than a (10)\_\_\_\_\_ star  
So shine no matter where you are  
Fill the darkest night  
With a brilliant light  
'Cause it's time for you to shine  
Brighter than a shooting star  
So shine no matter where you are  
Tonight  
(Wooh, wooh, wooh)  
Brighter than a shooting star  
Shine no matter where you are  
Tonight

Answer

1. your
2. where
3. melt
4. this
5. where
6. shooting
7. matter
8. when
9. goes
10. shooting
