

## Fill in the gaps

Let him out

See reflections on the water	
More than darkness in the depths	
See him surface in every shadow	
On the wind I feel his breath	
Goldeneye I found his weakness	
Goldeneye he'll do what I please	
Goldeneye no (1) for sweetness	
But a bitter kiss	
Will bring him to his knees	
You'll never know	
How I watched you from the shadows as a chi	ld
You'll never know	
How it feels to be the one who's (2)	behind
You'll never know the days, the nights	
The tears, the tears I've cried	
But now my (3) has come	
And time, time is not on your side	
See him (4) (5)	(6)
and mirrors	
Feel his presence in the crowd	
Other girls (7) gather around him	
If I had him I wouldn't	

Goldeneye not lace or leather  Golden (8) take him to the spot  Goldeneye I'll show him forever  It'll take forever to see what I've got  You'll never know  How I (9) you from the shadows as a child  You'll never know  How it feels to get so close and be denied  It's a gold and honey trap  I've got for you tonight  Revenge is to kiss  This time I won't miss  Now I've got you in my sight  With a Goldeneye  Golden, Goldeneye
