

Figure 8 by Ellie Goulding

Fill in the gaps

Breathe your smoke into my lungs
In the back of the car with you I stare into the sun
Still not too old to die young
The lovers hold on to everything
And others hold on to anything
I chased your love around a figure eight
I need you more than I can take
You promised forever and a day
And then you (1)_____ it all away
(Way, way, way)
And then you take it all away
(Way, way, way, way)
Place a (2)_____ on my cheekbone
Then you vanish me, I'm buried in the snow
But something tells me I'm not alone
But lovers hold on to everything
And others hold on to anything
I chased your love around a figure eight
I need you more than I can take
You promised forever and a day
And then you take it all away

(Way, way, way)
And then you take it all away
(Way, way, way, way, way)
So (3)_____ (4)_____ on to everything
And (5)_____ hold to anything
So lovers hold on to everything
And others hold to anything
I chased (6)_____ (7)_____ around a figure eight
I need you more than I can take
You promised forever and a day
And then you take it all away
I chased (8)_____ love around a figure eight
I need you more than I can take
You promised forever and a day
And then you (9)_____ it all away
(Way, way, way, way, way...)
And then you take it all away
(Way way, way, way)
