

Fill in the gaps

A Happy Place by Katie Melua

I'm going to find a happy
I'm going to find a happy
I'm going to find a happy place
Seven (1)_____ eyes are watching
Marching home and no one's touching
Army of the (2)_____ workers
Secretaries, lawyers, brokers
Heading for a London station
Heading for a quick salvation
Oblivious to cherry cola
Trying to sell to every stranger
Stuck here it's cold I'm standing
Hoping for some understanding
Only way to go is inside
I'm going to find a happy
I'm going to find a happy
I'm going to (3)_____ a happy place
Seven thousand light years travel
Let my sense of (4)_____ unravel
Trapped feelings are never ending
Send those (5)_____ descending
Towards the (6)_____ red centre
Let the fire (7)_____ and enter
Tap into the primal power
Rising like a giant tower
The energy receiving

Cut a hole right through the ceiling
People getting smaller as you fly
I'm (8)_____ to (9)_____ a happy
I'm going to find a happy
I'm going to find a happy place
A happy place
A happy place
A happy...
Find a star, send down a beam to (10)_____ you are
An elevator of light taking you somewhere
Where you'll always be loved
I have found that stress and nonsense
Puts me in zone of avoidance
Could my mind be moving faster
Pulling like a super cluster
Can be hard to trust a feeling
But believing ends in seeing
We're going to find a happy
We're going to find a happy
We're going to find a happy place
A happy place
A happy place
A happy...

Answer

1. thousand
2. city
3. find
4. time
5. weaknesses
6. earth's
7. rise
8. going
9. find
10. where
