| When you get what you (1) but not (2)        | And ignite your bones                 |
| you need                                     | And I (16) try to fix you             |
| When you feel so tired but you can't sleep   |                                       |
| Stuck in reverse                             | Tears stream down your face           |
| When the tears come streaming (3) (4)        | When you (17) (18) you                |
| face   | can not replace                       |
| And you (5) (6) you can't                    | (Oh) (19) stream down your face and I |
| replace                                      | (Oh)                                  |
| (Oh) (7) you love (8) but it                 | Tears stream (20) (21) face           |
| (9) to waste                                 | I (22) you I will (23) from my        |
| What could it be worse?                      | mistakes                              |
|  | Tears stream down your face and I     |
| (Lights (10) guide you home)                 | Lights will guide you home            |
| (And ignite (11) bones)                      | And (24) your bones                   |
| (And I (12) try to fix you)                  | And I will try to fix you             |
| And high up (13) or (14) below               |                                       |
| When you're too in love to let it go         |                                       |
| (Oh) but If you never try you'll never know  |                                       |
