The Howling by Within Temptation

We've been seeing what you wanted

Got us cornered right now

Fallen asleep from our vanity

Might cost us our lives

I hear they're getting closer

Their howls are sending chills down my spine

And time is running out now

They're (1)_____ down the hills from behind

When we start killing

It's all (2)_____ down right now

From the nightmare we've created

I want to be awakened somehow

(I want to be awakened right now)

When we start killing

It all will be falling down

From the hell, that we're in

All we are is fading away

When we (3)_____ killing

We've been searching all night long

But there's no trace to be found

It's like they all have just vanished

But I know they're around

I feel they're getting closer

Their howls are sending chills down my spine

And time is running out now

They're (4)_____ down the hills from behind

When we start killing

It's all (5)_____ down right now

From the (6)_____ we've created

I want to be awakened somehow
