FaAçade Of Reality by Epica

...
(Sanguis meus tibi no iam peribendus sit)
(Macula aeternitatis numquam detergenda)
(Quisnam surget et deteget)
(Imaginem veritatis?)
People created religious inventions
To give their lives a glimmer of hope
And to erase their fear of dying
And people created religious intentions
Only to feel superior and to have a license to kill
Our desire to die is stronger than all
Your desire for life
There is no getting away from it now
Only truth faith survives
People created religious inventions
To give their lives a glimmer of hope
And to erase their fear of dying
And people created religious ascensions
To subject (1)_____ ans to enslave
Just to further enrich themselves
Our desire to die is stronger than all
Your desire for life
There is no getting (2)_____ from it now
Only truth faith survives

Your desire for life
There is no getting away (3)_____ it now
Only truth faith survives
This mass terrorism
Is the new evil in our world today

It doesn't matter where we die
It doesn't matter that you cry
We will take you with us
It doesn't matter where we die
It doesn't matter that you cry
...
A disgrace on the beyond
