The Logical Song (Live) by Roger Hodgson

When I was young

It seemed that life was so wonderful

A miracle

(Oh) it was beautiful, magical

And all the birds in the trees

Well, they'd be singing so happily

(Oh) joyfully

(Oh) playfully watching me

But then they sent me away

To teach me how to be sensible

Logical

(Oh) responsible, practical

And (1)_____ (2)_____ showed me a world

Where I (3)_____ be so dependable

(Oh) clinical

(Oh) intellectual, cynical

There are times when all the world's asleep

The questions run too deep

For such a simple man

Won't you please

Please tell me what we've learned?

I know it sounds absurd

Please tell me who I am

I say, now watch what you say

Or they'll be calling you a radical

A liberal

(Oh) fanatical, criminal

(Oh) won't you (4)_____ up your name?

We'd like to feel you're acceptable

Respectable

(Oh) presentable, a vegetable

(Whoa) (5)_____ it, take it, take it (yeah)

But at night when all the world's asleep

The (6)_____ run so deep

For such a simple man

Won't you please

Please tell me what we've learned?

I (7)_____ it sounds absurd

But please tell me who I am

Who I am (come one)

Who I am

Who I am (yeah)

...

'Cause I'm (8)_____ so logical

...

(Oh) it's getting unbelievable

...

Answer

1. then
2. they
3. could
4. sign
5. take
6. questions
7. know
8. feeling
