

## Fill in the gaps

| I (1) (2) you went                                                                                                                                                                                                                                             |
|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| But I don't know how you got there                                                                                                                                                                                                                             |
| I (3) where you went                                                                                                                                                                                                                                           |
| But I don't (4) how you got there                                                                                                                                                                                                                              |
| Silver (5) hill                                                                                                                                                                                                                                                |
| Where you talk up what I'd (6) down                                                                                                                                                                                                                            |
| I would speak up                                                                                                                                                                                                                                               |
| But I wouldn't (7) what to say                                                                                                                                                                                                                                 |
| Lucidity, (8) back to me                                                                                                                                                                                                                                       |
| Put all (9) senses (10) to                                                                                                                                                                                                                                     |
| Where they're meant to be                                                                                                                                                                                                                                      |
| (Oh) it's hard to tell, it breaks down                                                                                                                                                                                                                         |
| There is a will, there is a way                                                                                                                                                                                                                                |
|                                                                                                                                                                                                                                                                |
| Wondering around (11) spare (12) (13) knew it                                                                                                                                                                                                                  |
| Wondering around (11) spare (12) (13) knew it  I might suck fizzle or I (14) (15) float away                                                                                                                                                                   |
|                                                                                                                                                                                                                                                                |
| I might suck fizzle or I (14) (15) float away                                                                                                                                                                                                                  |
| I might suck fizzle or I (14) (15) float away  And we'll go (16) off tonight                                                                                                                                                                                   |
| I might suck fizzle or I (14) (15) float away  And we'll go (16) off tonight  High above                                                                                                                                                                       |
| I might suck fizzle or I (14) (15) float away  And we'll go (16) off tonight  High above  Where we won't even need to reach                                                                                                                                    |
| I might suck fizzle or I (14) (15) float away  And we'll go (16) off tonight  High above  Where we won't even need to reach  The sky my love                                                                                                                   |
| I might suck fizzle or I (14) (15) float away  And we'll go (16) off tonight  High above  Where we won't even need to reach  The sky my love  (Oh) (17) (18) be a change in the air                                                                            |
| I might suck fizzle or I (14) (15) float away  And we'll go (16) off tonight  High above  Where we won't even need to reach  The sky my love  (Oh) (17) (18) be a change in the air  Nobody will be (19) else                                                  |
| I might suck fizzle or I (14) (15) float away  And we'll go (16) off tonight  High above  Where we won't even need to reach  The sky my love  (Oh) (17) (18) be a change in the air  Nobody will be (19) else  Lucidity, (20) back to me                       |
| I might suck fizzle or I (14) (15) float away  And we'll go (16) off tonight  High above  Where we won't even need to reach  The sky my love  (Oh) (17) (18) be a change in the air  Nobody will be (19) else  Lucidity, (20) back to me  Put all five (21) to |

## 1. know

- 2. where
- 3. know
- 4. know
- 5. tongue
- 6. play
- 7. know
- 8. come
- 9. five
- 10. back
- 11. like
- 12. time
- 13. never
