Keep it down, honey hush your lips
Clothes trailing from the backdoor
To the bedroom
And I don't even know your name
Give me all you've got
Make this night worth my time

(Oh) what I would give to live this night again
I knew when I first saw you
You'd **** (1)_____ a *****

And after all of all my dreaming being only you
You're (8)_____ there baby

Back to the wall with a drink in my hand
Back it up, baby ride, ride, ride...
...
One step too late
And I never told you (never told you)
That I can't take another disappointment
Breathing and grasping
All leads to another messy ending
Breathing and grasping
All (9)_____ to another messy ending
